Children's Name & Grade: \_\_\_\_\_

Everyone's help is needed in order for us to enjoy successful events and school year. These events help raise money for the school which benefit the children. Even if you cannot help at the event, help is needed with flyers being created, soliciting for donations, making phone calls, every little bit of help is important for us. As they say, *many hands makes light work*, even 1 hour of time is appreciated!

If you have any special talents or interests they can be helpful to our committees. (i.e. cooking, photography, art, computer skills, dance, sports, etc.) Please reach out to us

Thank you to all of our volunteers that we already have! We have a fun-filled year ahead of us with both new events (new ideas are always welcome) and old favorites!
