Volunteer Appreciation Tea 6/19

Have you helped at the school this year? Chaired a committee? Worked in the cafeteria? Scooped ice cream, sold uniforms or worked recess duty?

Any and ALL volunteers are invited to an appreciation tea on the last day of school before the awards ceremony, at 8:30 in the cafeteria. Coffee, tea and continental type breakfast will be served.

Tuesday Chip Sales Coordinator Needed!

Our current coordinator, Judy Boulton, is stepping down and we would like to thank her for her help with this program over the years.

In order to continue offering chips for sale on Tuesdays, we are in need of a volunteer to coordinate the program. Most of the planning work is already in place, thanks to Judy, the new chip coordinator will just need to keep the program running. The chip sales benefit the 8th Grade Graduating Class ensuring they have a great year. All of the students like having the chips to add to their lunches on Tuesdays.

If we do not have a coordinator, we will not be able to maintain this program. If you are interested, please contact psa@stcolumba.net

A Look at Past Events

Daddy-Daughter Dance A Huge Success

Friday 4/13 SDSC PSA hosted a brand new event, a Daddy-Daughter Sock Hop. The event was a huge success and we owe a big thank you to the co-chairs, Christina Carozza, Lori Kermel, & Michelle Woods. We'd also like to thank all the many helpers who decorated, served and cleaned up at this fantastic party.

"Dear, Edwina" School Play

At the beginning of April, students in the upper hall put on a production of "Dear, Edwina" to sold out crowds. Under the direction of Christine Manning, the children involved in the show worked hard for months and it showed. It's exciting to see how much talent we have in our school.

If your child would like to get involved in theater, Christine will be hosting summer camps right here at SDSC!

*Thank you for all the support you give to our school and events all year long!
We would not have the success we do without each and every one of you!!*
