Dear Incoming Fourth Graders,

As we finish this year and look forward to the next, I am giving you some things to work on to keep your skills sharp. I am also attaching **the School Uniform requirements** and the **Supplies** needed for Fourth Grade. All required work will be due on the first day of school in September. If you have any questions feel free to email me over the summer.

ELA - Reading: Read one book from the list below. Choose a book different from one you have already read. After reading the book, be prepared to write a short summary about it *in class* in September.

i-Ready Program: (Reading and Math) Five specific lessons will be assigned to be completed by the end of July, then five more will be assigned to be completed by the end of August. They will be checked by the teacher and students will receive a grade for completion.
