Weeks of Nov. 2 – 6, 2020

No Busing – Tuesday, November 3rd

Please note that there will be NO Busing for **Wappingers and Arlington** this Tuesday, November 3rd. Please pull forward as far as possible along the sidewalk in the bus lane in front of the school. Students are to exit vehicles by the sidewalk and enter through the front of school after their temperature check. Thank you for ensuring that your children arrive before 8:00 a.m.

Half Day of School for Students – Friday, November 6th

This Friday, November 6th will be a half day of school for students. Dismissal will begin after prayers at 11:45 a.m. There will be no lunch or beverage service provided. The School Office will be open until 3:30 p.m.

Grade 8 TACHS Exam – Friday, November 6th

Many of our Grade 8 students will take the Test for Admission to Catholic High Schools (“TACHS”) this Friday, November 6th. This test, in addition to their grades at SDSC, determines eligibility for admission to Catholic High Schools and academic scholarships. Please remember them in your prayers and wish them well!

EDUCATE Parent Portal – Closing Friday, November 6th

The first marking period ends this Friday, November 6th. Please note that the EDUCATE Parent Portal will close this Friday, November 6th so teachers can begin preparing report cards.

Please be sure your Tuition and Lunch fees are up to date!

As we anticipate the first quarter report card in just a few weeks, we would like to remind you that all financial requirements, including tuition payments, lunch tickets, and all school fees must be made current before the students can receive their report card. *If your family has recently encountered a change in circumstances due to Covid-19 that impacts your ability to pay tuition, please contact Sr. Kathleen or Mr. Krebs to submit an application for emergency assistance. The Archdiocese has limited relief funding to assist those who have been impacted by Covid-19.*

Attention Car Riders: Please NO PASSING!

During drop off, and especially at pick-up, vehicles must follow each other in a single lane of traffic. Please do not pass vehicles that are still in the process of loading or unloading! Students and staff frequently cross through the center of the school driveway. Passing creates confusion and the opportunity for a serious accident to occur. School Staff will direct you when it is safe to move forward. Also, remember it is illegal and unsafe to pass a school bus in the process of loading or unloading, even in a school parking lot. Thank you for your cooperation!

Nail Polish Reminder

This is a reminder that, in accordance with the School Handbook, students are not permitted to wear nail polish in school. Students wearing nail polish will be asked to remove it. Be sure that the polish is removed before coming to school. Thank you for your cooperation.

Be Sure Your Child Dresses Warmly

An early burst of wintry weather is forecast this week, and soon winter itself will be here. The heat is on in the building, but many windows have to remain open for proper air circulation due to Covid. This can create chilly rooms, especially on windy days. Students should bring an SDSC logoed sweater, fleece jacket or sweatshirt for an added layer of clothing if needed. These items may be obtained at Lil’ Darling. The Archdiocese intends to install more energy efficient ventilation equipment, but a timetable for the installation has not been set.
